Student / Faculty / Staff Discounts on Software & Hardware – NSCC has formed a partnership with GovConnection to provide educational discounts for hardware and software including Adobe & Quark software products.

If you are an NSCC student, faculty or staff member you are eligible to participate in this program. This program is available online and works as follows:

1. First create an account with GovConnection - When creating your account you must use your North Shore email address as this will verify/authenticate that you are a member of North Shore Community College.
2. Once your account is created you can view all the products that reflect educational pricing. Of particular interest may be the Adobe product line suite of software that is offered at substantial discounts.
3. Contact points are available once you are logged into the GovConnection site.
